

MISSISSIPPI BOARD OF LICENSURE FOR PROFESSIONAL ENGINEERS & SURVEYORS

PROTECT YOURSELF AND YOUR PROPERTY

- **CONTRACT WITH LICENSED PROFESSIONALS.**
 - Always verify that the Engineer and / or Surveyor you are working with is actively licensed with no open complaints against them.
- **VERIFY LICENSES BEFORE YOU CONTRACT.**
 - Check the license status of the engineer and/or surveyor on our website by completing a licensee search using the QR code provided here.
- **OBTAIN A WRITTEN CONTRACT.**
 - Request clear, written contracts that outline the scope of work, deliverables and responsibilities of all parties involved.
- **ASK FOR AND CHECK REFERENCES.**
 - Ask for and review individual references to ensure you are contracting with a licensed, qualified professional.
- **MAKE PAYMENT ONLY AFTER SERVICES HAVE BEEN RENDERED.**
 - Avoid paying in full before the work has been completed and never pay in cash.

The Mississippi Board of Licensure for Professional Engineers and Surveyors regulates the practice of engineering and surveying in our State. Contracting with licensed professionals helps ensure public safety and welfare, ethical and professional standards and accountability for the work performed.
