

PDH Activity Log

Instructions: The Board will conduct audits to ensure compliance with CPC requirements. If you are audited, you will be required to complete the PDH Activity Log on the other side of this sheet *and* submit all necessary documentation. The Log may be duplicated if more space is needed.

The PDH Activity Log is provided for your use and must be completed and submitted to the Board in the event you are audited, or for a relicensure application.

Maximum total carryover is 15 PDH for a PE licensee, 12 PDH for a PS licensee, and 18 PDH for a PE/PS (Dual) Licensee. Excess PDH in ethics or surveying standards may *not* be carried over.

List your activities in the space provided on lines B₁, B₂,..., using as many blocks as required. If you need additional space, duplicate the form and identify the duplicated form with your licensure number. In the Date column furnish the dates of each activity, i.e., course, seminar, etc.

It is important that a sufficient title/description be provided to identify that the activity relates to engineering or surveying. You must provide the name of the sponsoring organization and the location where the activity was held. For activities that are part of a college curriculum, list course number.

PDH earned for PE or PS credit should be placed in the appropriate columns. Enter the Activity Code (see list below) and PDH earned for each activity in the appropriate column. A PDH credit is roughly equivalent to fifty minutes of instruction.

If you qualify for an exemption from the CPC requirements, you must certify your eligibility for the exemption on the renewal invoice. An exemption from the CPC requirements does not exempt you from the renewal fee.
